

VISION

Our School Vision is a guide our school uses to give us a path to follow. This vision is used to continue to drive our school forward. Our four vision statements are:

1. By responding to the needs of our community, Fairview School will collaborate to create a sense of belonging for all.
2. Fairview School will provide diverse and meaningful learning opportunities encouraging the development of the whole individual.
3. Fairview School is a place where differences are appreciated and celebrated in an inclusive environment.
4. At Fairview School we believe you can
